Please Be Aware

Any project that occurs within the right of way of the following roads:

- Interstate 90
- US or State Highway
- Coeur d'Alene Lake Drive

requires an approved encroachment permit from Idaho Transportation Department in addition to any city or county permits. This includes but is not limited to approach/driveway reconstruction or material placement, utility projects, irrigation and landscaping projects, etc. Please be aware that the highway right of way may not be obviously defined by a fence or other marker.

Contact our office to speak to our staff regarding your project.
